Synergy **Industrial Products Co.,Ltd.**

Synergy Industrial Products (SIPC) brings over two decades of international experience, specializing in supplying top-tier industrial products, professional technical consulting, and efficient logistics services. We are committed to meeting and exceeding industry requirements in oil, gas, petrochemicals, and steel manufacturing sectors. With our strategic locations in China and the UAE, we provide streamlined sourcing solutions, ensuring quality compliance, competitive pricing, and reliable delivery.

02

Our Advantage

- **Global Sourcing Expertise:** Access to a vast network of internationally certified manufacturers.
- **Quality Assurance:** Strict adherence to global standards including API, ASTM, ANSI, ISO, DIN.
- **Efficient Delivery:** Quick turnaround through our optimized logistics channels.
- **Comprehensive Technical Support:** From initial inquiry to post-delivery assistance, we offer expert technical and commercial support.

Product Portfolio

SPC

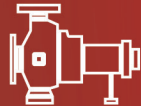

Seamless & Welded Steel Pipes

Industrial Fittings & Flanges

Industrial Valves

Centrifugal & Submersible Pumps

Dosing Pumps & Metering Systems

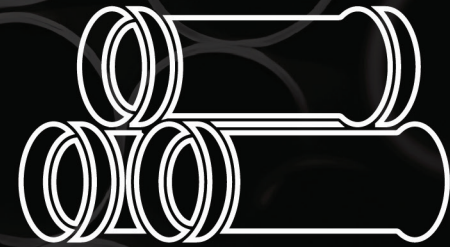

Drilling Equipment and Spare Parts

05

Seamless & Welded Steel Pipes

Our steel pipes meet stringent requirements for strength, corrosion resistance, and reliability, designed specifically for rigorous applications.

Specifications:

- **Standards:** API 5L, ASTM A106/A53, DIN, EN
- **Grades:** X42–X80, ST37/ST52
- **Sizes:** 56–"2/1", SCH 10–XXS
- **Types:** Seamless, ERW, SSAW, LSAW

Applications: Pipelines, petrochemical facilities, offshore platforms.

Vendor Certifications: ISO 9001, API 5L, CE

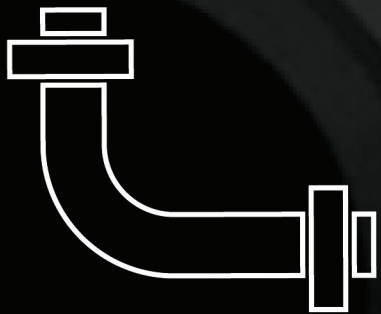

06

SPC

Industrial Fittings & Flanges

Precision-manufactured fittings and flanges that ensure secure and efficient pipeline integration.

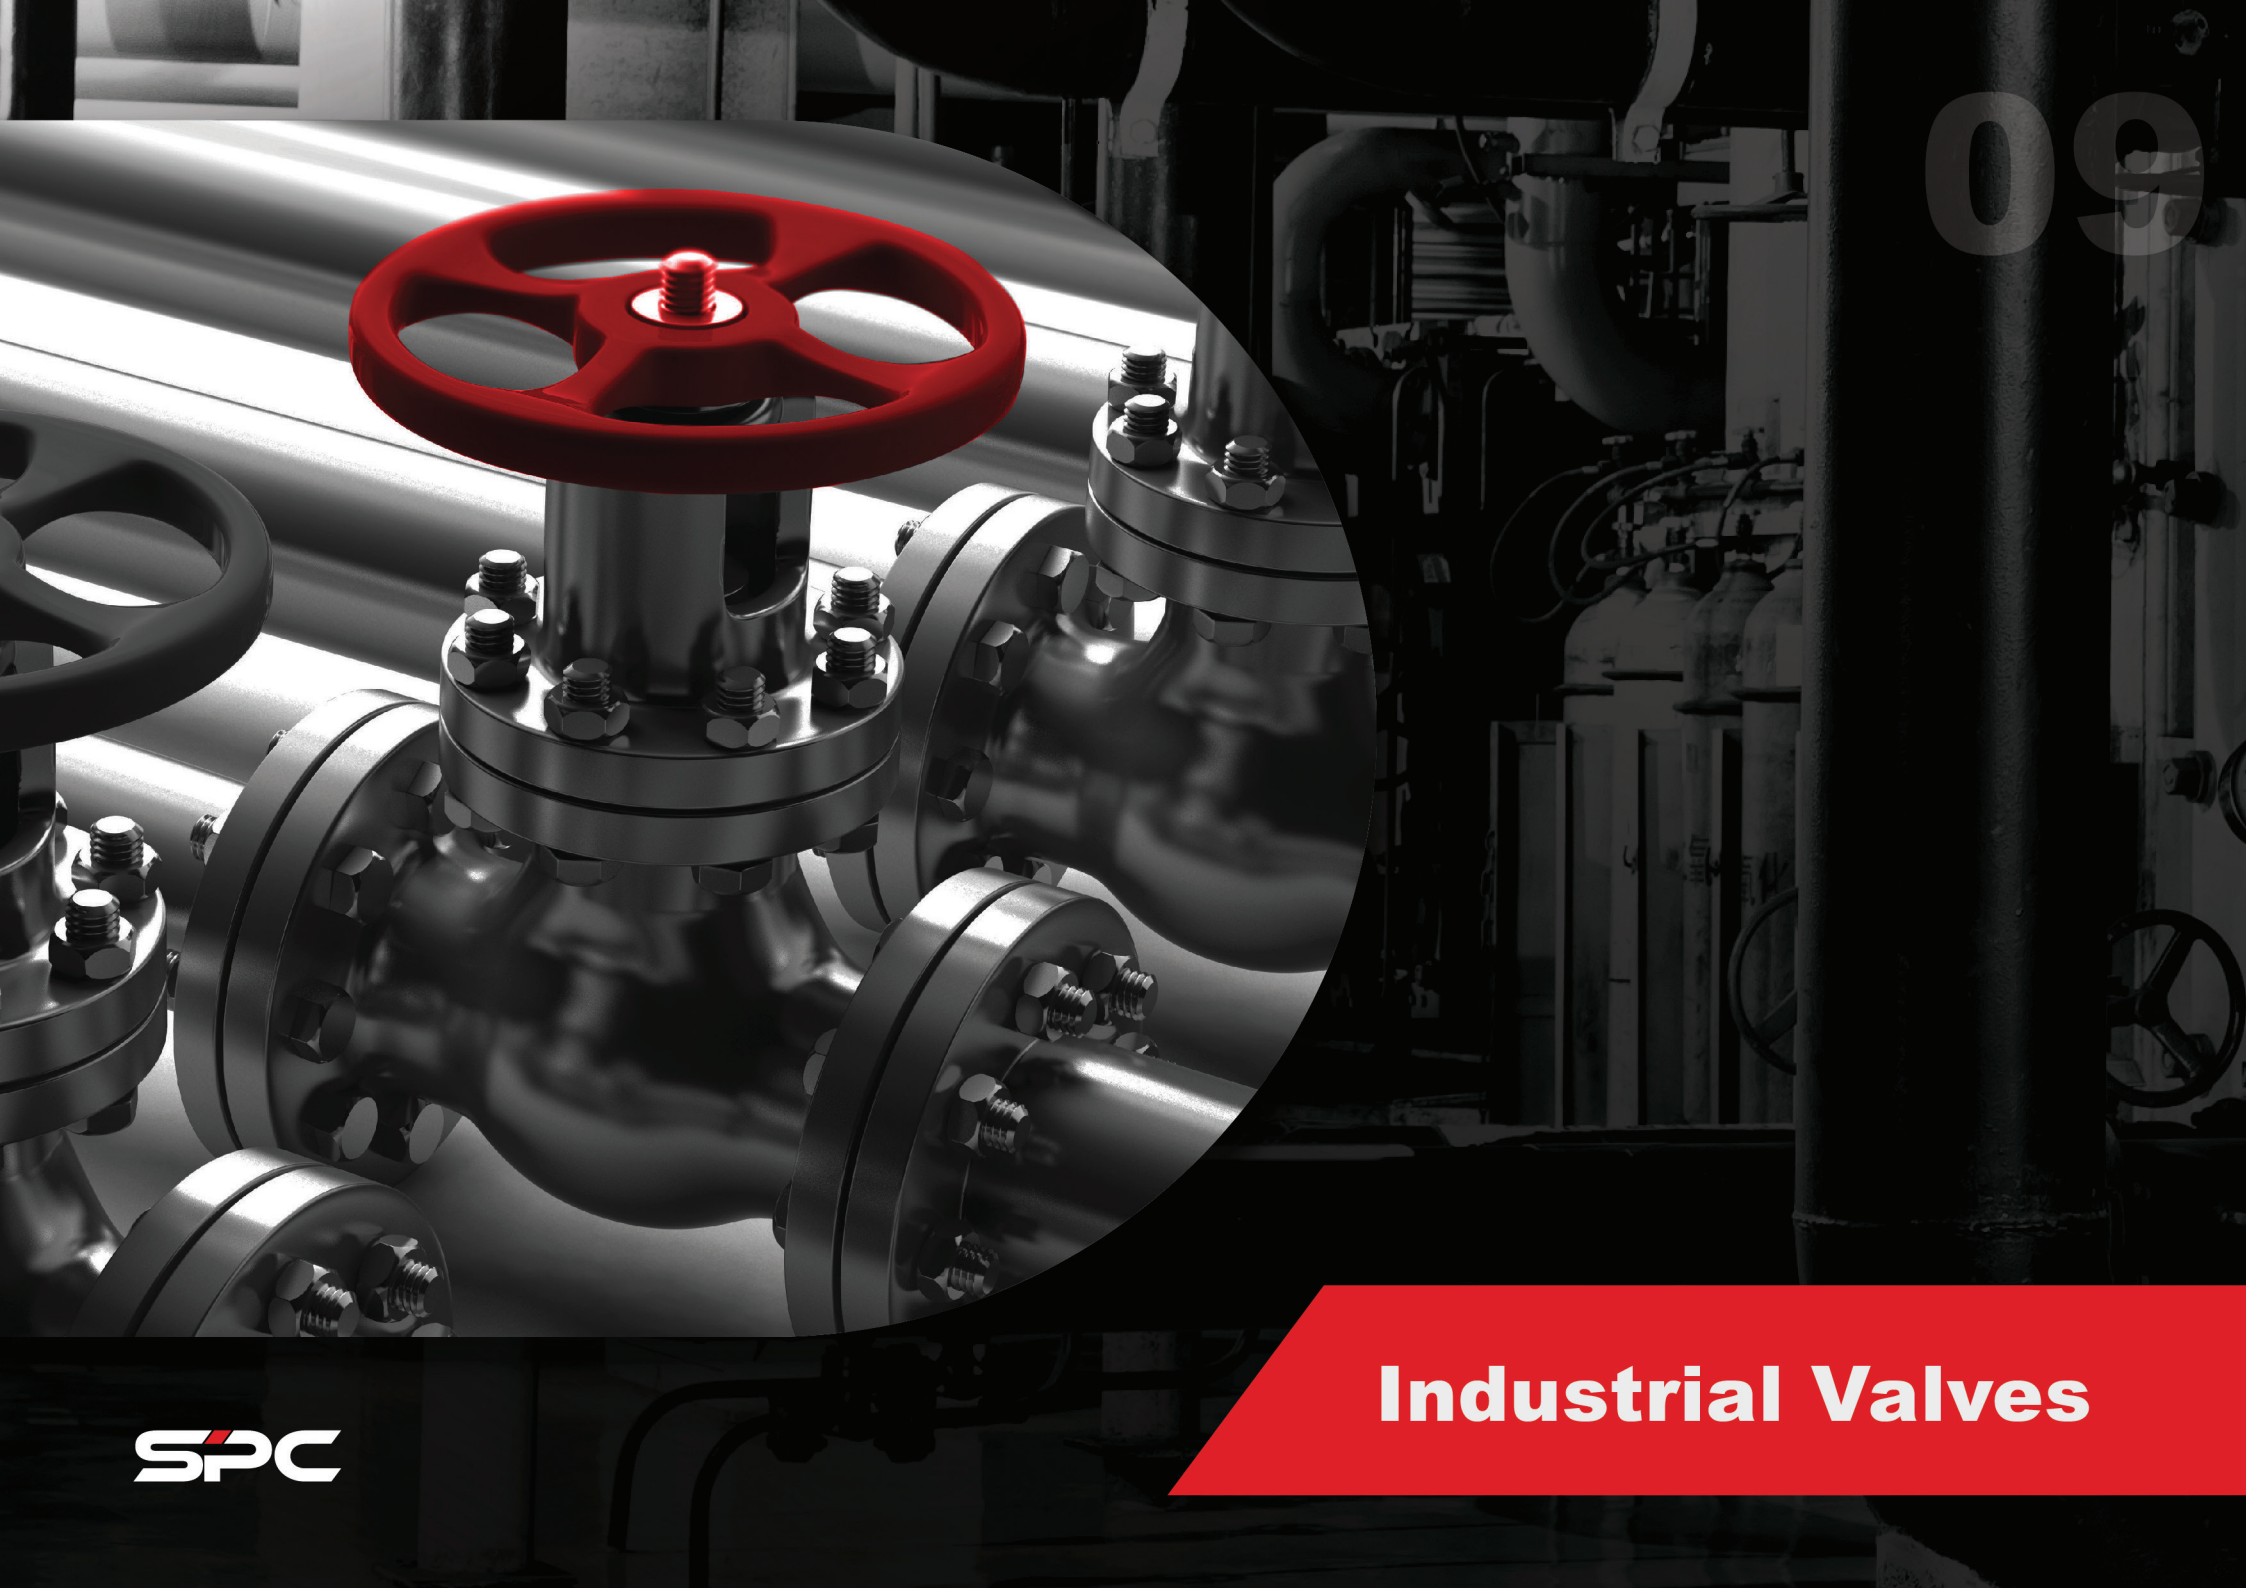

Specifications:

- **Standards:** ASME B16.5/B16.9, DIN, EN
- **Materials:** Carbon Steel, Stainless Steel, Alloy Steel, Duplex
- **Sizes:** 48-"2/1"

Applications: Refining operations, offshore installations, chemical plants.

Vendor Certifications: ISO 9001, CE

Reliable flow control solutions suitable for extreme operational environments.

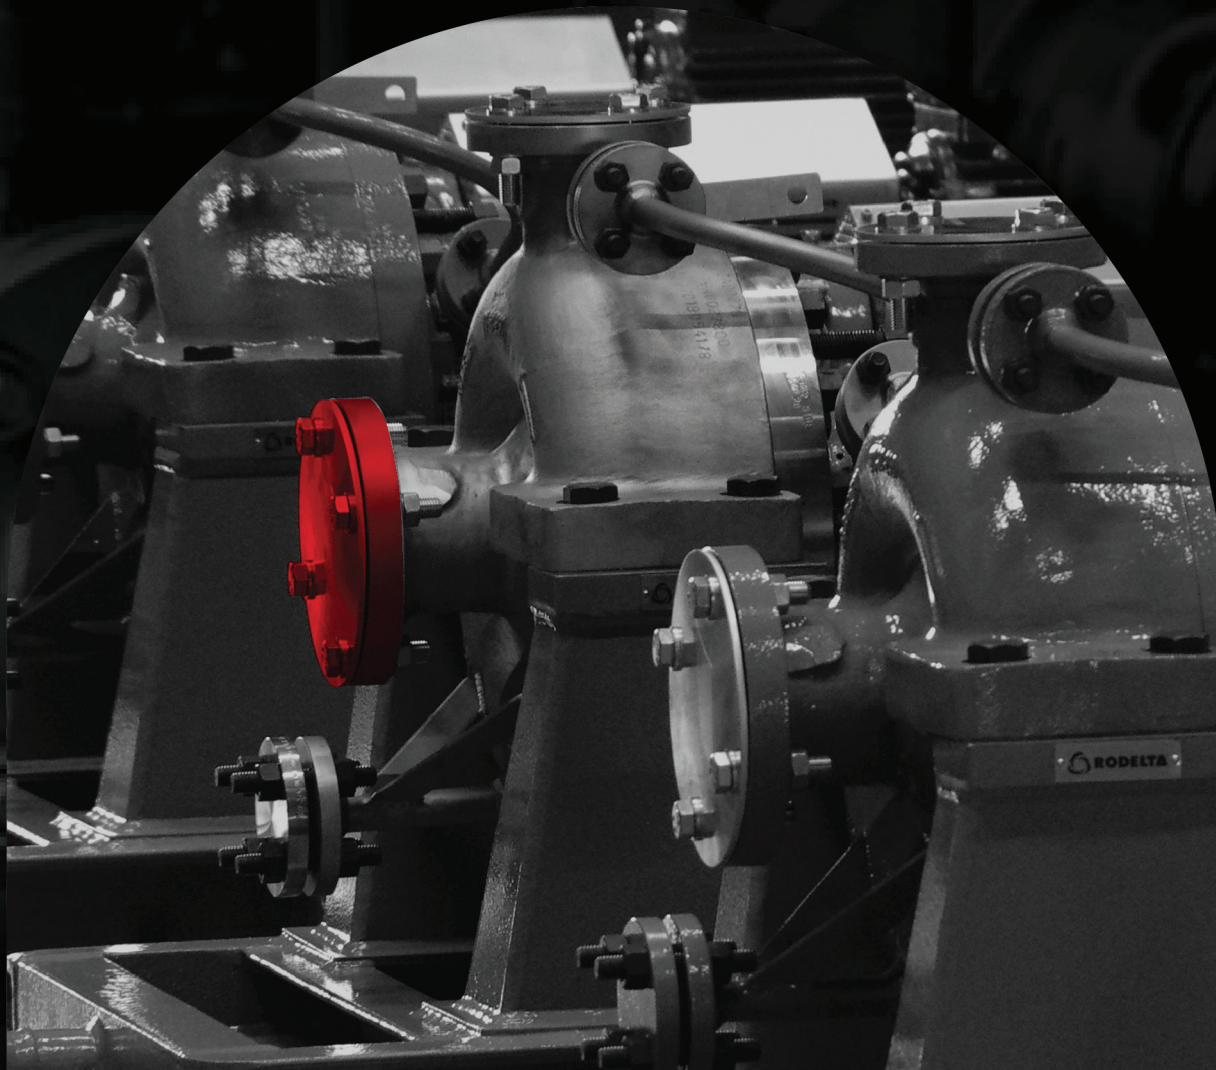

Specifications:

- **Types:** Gate, Globe, Ball, Butterfly, Check, Control
- **Actuation:** Manual, Electric, Pneumatic, Hydraulic
- **Pressure Ratings:** 2500-#150#, PN6-PN420

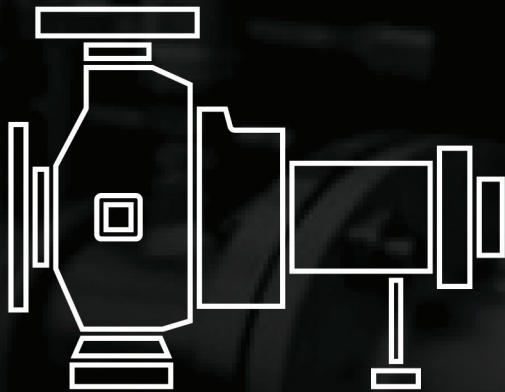

Applications: Oil refineries, gas processing, water systems.

Vendor Certifications: ISO 9001, API 6D, CE

Centrifugal & Submersible Pumps (API 610)

High-performance API 610 centrifugal pumps tailored for demanding petrochemical and refining applications.

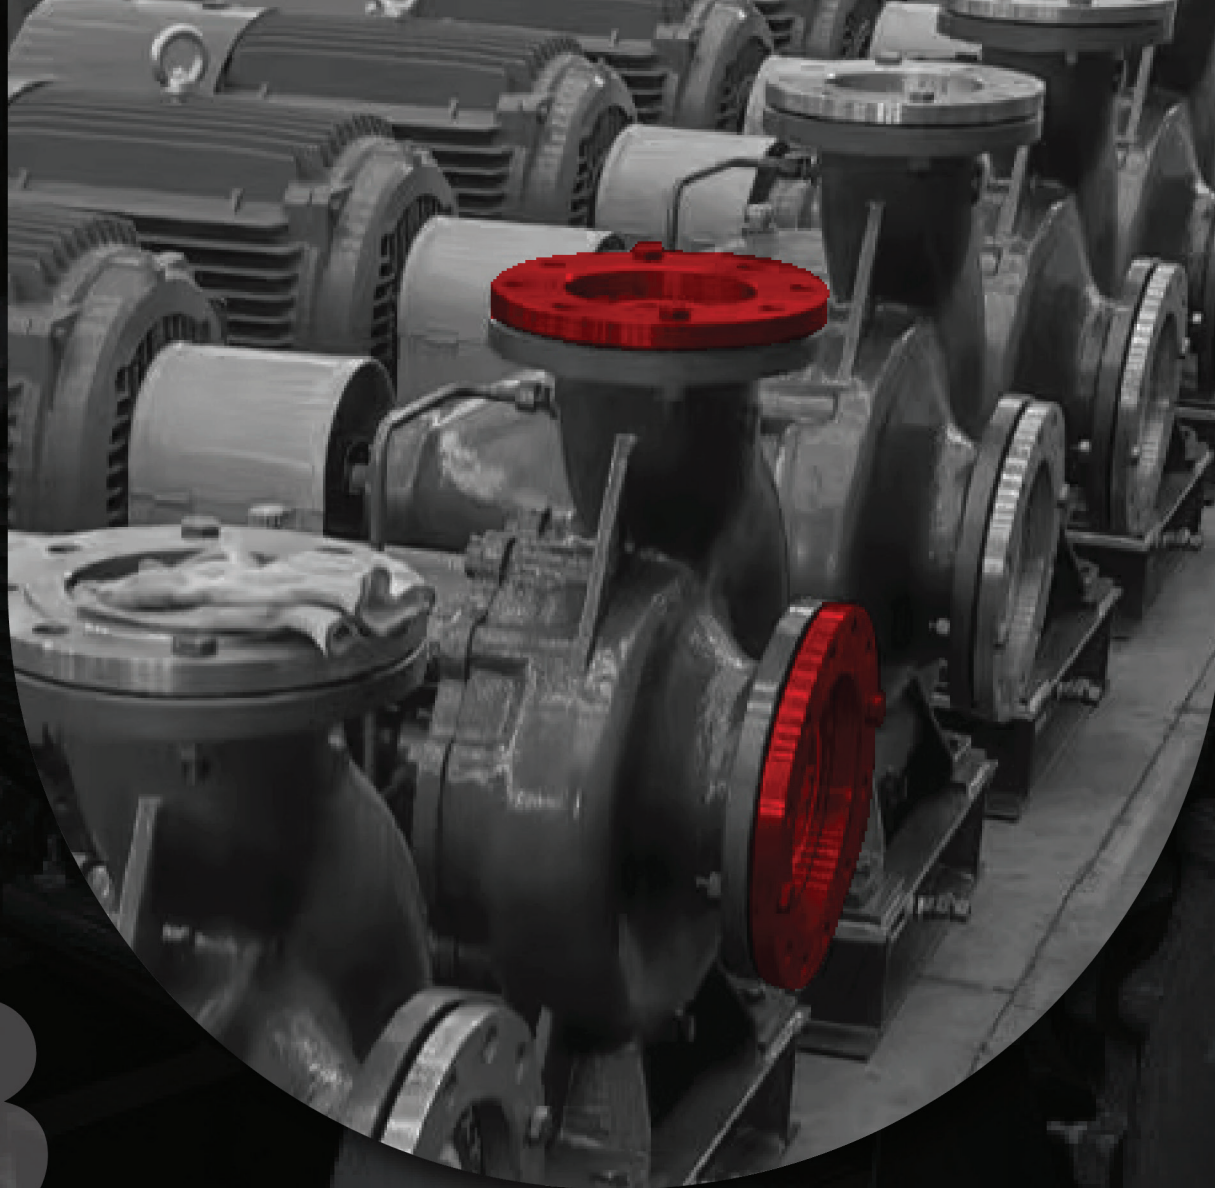

Specifications:

- **Pump Types:** OH1, OH2, BB1, BB2, BB3
- **Standards:** API 610
- **Materials:** Carbon Steel, Stainless Steel, Duplex

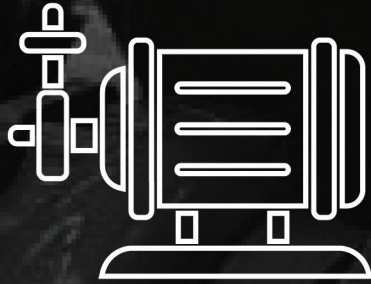

Applications: Oil refining, petrochemical processing, chemical handling.

Vendor Certifications: ISO 9001, API 610, CE

13

Dosing Pumps & Metering Systems

Precision-engineered dosing pumps for accurate chemical management.

Specifications:

- **Types:** Diaphragm, Plunger
- **Flow Rate:** 0.5 L/h–2000 L/h
- **Pressure:** Up to 400 bar

Applications: Industrial chemical dosing, water purification systems.

Vendor Certifications: ISO 9001, CE, ATEX

Drilling Equipment & Spare Parts

SPC

15

**Specialized drilling tools and equipment designed
for intensive industrial operations.**

Specifications:

- **Equipment:** Auger rigs, rotary rigs, DTH hammers
- **Standards:** API 7K, 5DP, 5CT

Applications: Oil & gas exploration, horizontal drilling, mining operations.

Vendor Certifications: ISO 9001, API

Comprehensive Services

Offered

- **End-to-End Logistics & Customs Clearance:** Complete management of international shipping, documentation, and customs.
- **Technical Sourcing & Consultation:** Customized solutions for sourcing and product selection backed by professional engineering consultancy.
- **Inspection & Quality Assurance:** Independent quality verification, product certification, and compliance audits.

- **Commercial & Legal Advisory:** Expert guidance in dispute resolution, negotiation, and international trade law.

- **Secure Transaction & Escrow Management:** Trust-based transaction handling, financial management, and escrow services.
- **Contract & Agreement Management:** Professional drafting, negotiation, and execution of international contracts.
- **International Payment Facilitation:** Seamless and secure financial transactions globally.

Comprehensive Services

- **Vendor & Partner Audits:** Rigorous evaluation of suppliers' capabilities, compliance, and reliability.
- **Exclusive Representation & Brand Licensing:** Strategic market entry management and brand representation.

The background of the slide is a dark, industrial scene featuring a complex network of large pipes and valves. A prominent horizontal pipe in the foreground has the 'SPC' logo printed on it in a light, metallic color. The lighting is dramatic, with highlights on the pipes and a dark, shadowy background.

SPC

The background of the slide is a black and white photograph of two men in an industrial setting. Both men are wearing hard hats with the 'SPC' logo and are smiling at the camera. The man on the left is wearing glasses and a dark work shirt. The man on the right is also wearing a dark work shirt. The background shows blurred industrial equipment.

Quality Assurance & Certifications

Quality

SIPC partners exclusively with vendors holding internationally recognized
certifications:

- **ISO 9001**
- **API Standards**
- **CE Compliance**
- **ATEX Certification**

Global Network of Suppliers

Our strategic partnerships

include:

- **China:** Pipes, valves, pumps, fittings
- **Europe:** Automation and industrial controls
- **Middle East:** Custom manufacturing, specialty logistics
